disease, especially if you have certain medical conditions. *contains shellfish **served raw or undercooked*

VERNA RAE HARRAH

Entrepreneur, film producer, philanthropist and wife of Bill Harrah, Verna forged a life long before she met her dear William—one defined by creativity, grit and unmistakable style.

Verna embodied the rhythm of the 1970s—sun-drenched California culture, flared denim, aviators, the hum of PCH and the soul of Fleetwood Mac.

A distinct identity, yet deeply connected to The Club, *Verna's* offers a feminine complement to a legendary Nevada love story. Laid back and confident, with a touch of rebellion—Verna is our summer anthem.
